

AUHAUS
GROUP

JOINERY SOLUTIONS BUILT FOR BIG PROJECTS

Factory-direct joinery for Australian builders & developers.

AUTHORISED PARTNER

OPPEIN

AUSTRALIA

auhaus.au

ONE JOINERY PACKAGE. ONE POINT OF CONTACT.

AUHAUS Group is a Brisbane-based construction and building supply company working with developers, builders and project managers across Australia.

We specialise in the joinery package — the kitchens, wardrobes, vanities and internal doors that sit on the critical path of every residential handover. As an authorised OPPEIN partner we supply factory-direct, which removes the middlemen markups and the lead-time risk that come with them.

Send us a floor plan or a unit schedule. We return a detailed quote, a finishes schedule and an indicative program — then manufacture, deliver and support the install.
